*The difference between your Beginning and Ending Balances may not equal the sum of all of your Account Activity in the Total column. This may occur, for example, if you have a pending or disputed transaction at the time you view your Account Statement.

**For each transaction in your Account Activity, the Total equals the amount sent or received, plus or minus any Fees.

The money in your PayPal balance is eligible for pass-through FDIC insurance. FDIC pass-through insurance only applies to USD funds held in your PayPal balance. It does not apply to funds held in any non-USD currencies.

Once you notify us of a suspected error, we will investigate your complaint or question within 10 business days. If we need more time, we may take up to 45 days to complete our investigation (or up to 90 days for point of sale or foreign initiated transactions). If we decide that we need more time to complete our investigation, we will provisionally credit your account for the amount of the suspected error. You will receive the provisional credit within 10 business days of the date we received your notice.
